U. N. OFFERS PROPOSAL FOR BUFFER ZONE

BULLETIN
U. S. Eighth Army Headquarters, Korea, Oct. 25—(P)—Allied warplanes pounded the crippled North Korean rail system today in one of the war's most concentrated attacks. Wave after wave of fighter bombers roared down on Red rolling stock caught out in the open. U. S. Fifth Air Force officers said the Reds were completely surprised and had no time to get their trains into the shelter of tunnels. Nine locomotives and 99 railcars were destroyed. Nineteen locomotives and 129 cars were listed as damaged. Three brief battles were recorded during the day. One Russian-made MIG-15 was damaged. There were no reports of Allied losses.

Munsan, Korea, Oct. 25—(P)—The United Nations today proposed a give-and-take compromise to set up a buffer zone across the war-torn Korean peninsula.

The U. N. proposal called for the Allies to yield about 200 square miles of North Korea in the east, and for the Reds to give up a similar area in the west.

The buffer zone would be about 2 1/2 miles wide and follow generally present battle lines.

The proposal was introduced in a subcommittee meeting in Panmunjom shortly after cease-fire negotiations were resumed by the main Red and Allied teams, ending a 64-day breakdown in the parleys.

There was no immediate indication of Communist reaction. The Reds previously demanded a buffer zone along Parallel 38, old political boundary between North and South Korea.

Maj. Gen. Henry I. Hodes, subcommittee chairman who presented the Allied proposal, cautioned the Reds to accept it, or face a less favorable offer later. He pointed out that while talks were in recess the Allies had advanced their line many miles northward.

U. N. command spokesman said the Communists would be obliged to give up Kaesong, former site of cease-fire talks. It is just below Parallel 38 in western Korea.

The proposed buffer zone would run from the mouth of the Yeongsu river in West Korea to 11 1/2 miles southeast of Koesong on the Korean east coast. The Allies are about 50 miles north of Parallel 38 in that area.

Christmastime Windup of 1951 General Assembly to Produce Stormy Session

Harrisburg, Oct. 25—(P)—The projected Christmastime windup of the 1851 general assembly may produce one of the stormiest legislative sessions in state history.

Many red hot issues are up for decision by the lawmakers when they return here Dec. 10 for a 12-day cleanup session.

Most explosive of the problems still demanding solution is the state's "marathon tax" tangle. This issue alone has run the legislature into one of the longest sessions in history, and has created bitter intra-party cleavage in the state senate.

Other touchy issues which require action are the controversial truck weight increase bill and a congressional reapportionment plan. Both are certain to cause bitter debate.

The key to December adjournment will be the ability of administration forces to unite Republican lawmakers behind a tax program. If this can be accomplished, other issues may be cleared away in quick time.

The tax deadlock, however, may prove to be even more difficult to solve in December than during the past nine months. Complicating efforts to increase state taxes will be the recently approved federal income tax boost and increases in federal excise taxes. These new tax burdens are expected to put lawmakers in an unresponsive mood toward still more taxes.

FORMER QUEEN OF PORTUGAL IS DEAD

Versailles, France, Oct. 25—(P)—Former Queen Marie Amelie of Portugal died today. She was 86. She was a granddaughter of the last king of France and the mother of the last king of Portugal. For more than 20 years she lived in quiet Chantilly suburb of Versailles, near Paris, where the inhabitants spoke of her as the "forbidden queen."

Her death followed a long illness. The widow of King Carlos I, Marie Amelie fled from Lisbon with her son, King Manuel, during the revolutionary coup of 1910, when Portugal was proclaimed a republic.

Dep't of Welfare Sec. Visits Warren

Mrs. Eleanor Evans of Delaware county, standing, secretary of the Department of Public Welfare in the cabinet of Gov. John S. Pine, paid a brief visit to Warren yesterday during which she conferred with Miss Frances Schimmelfeng, executive director in Warren, seated at her desk. Accompanying Mrs. Evans to Warren were, left to right: James Brunelle, head of the Bureau of Assistance; Jeff Crowe, Bureau controller; and John McGinn, in charge of office management.

After meeting the personnel at the office headquarters, 325 Pennsylvania avenue, west, Mrs. Evans and her party were accompanied by Miss Schimmelfeng to the Pittsfield Inn where welfare boards from Warren, Forest and Venango counties met for dinner and to confer with Mrs. Evans.

"The object of this visit to northern Pennsylvania is to establish a personal contact with staff members," said Mrs. Evans while in Warren. "This creates a better harmony and understanding, and it is my desire to take back with me the full viewpoint taken by the county boards."

ELK LODGES TO AID BLOOD BANK PROGRAM

Williamsport, Oct. 25—(P)—Elks lodges throughout the nation will pledge 1,000,000 pints of blood for use in the national emergency.

Howard R. Davis, grand exalted ruler of the BPOE, made the announcement here last night at a testimonial dinner in his honor at his home lodge, Williamsport Lodge No. 173.

Davis said he will meet on Friday with Secretary of Defense Robert A. Lovett in Washington to present the official blood donation pledge of the 1,600 Elks lodges in the United States.

Historical Group Busy Securing Data And Indexing Old County Newspapers

At the meeting of the County History Group sponsored by Warren Public Library, held last night in the library, Mrs. William Vogt, chairman, announced the group is engaged in indexing all the old county newspapers and is rapidly assembling data covering the history of newspapers, churches, and clubs in the county; the history of Pine Grove township, the Underground Railroad, and has completed listing tombstone inscriptions in over 100 cemeteries. In addition, Mrs. A. A. Grant has presented a history of Sugar Grove Academy.

The next work meeting, to be devoted to continuance of newspaper indexing, will be held at 7:30 p. m. November 14, and the next program session will be at the same hour on November 28, when Harold Putnam scheduled to lead a discussion on "Topography and Other Aspects of Warren County."

Ernest C. Miller was the speaker for last evening, talking for his topic "Oily Daze at Cherry Grove." He related a story of the great "mystery well" on Lot 646, telling how its operation kept speculators guessing and busy; Michael Murphy's success on Lot 619 and his losses; how lack of storage forced oil waste.

He explained how the field quickly gained the reputation of the greatest in the world, and how towns of Garfield and Farnsworth sprang up; the Warren and Farnsworth Railroad came into existence, carrying people and lumber, but never oil. Appearance of professional spies, called "oil scouts," was also related.

Concluding, Mr. Miller reminded that while the year 1882 saw fortunes made and quickly lost at Cherry Grove, today one needs a guide to find the location of this great event.

500 HONOR VETERAN ERIE SPORTS EDITOR

Erie, Oct. 25—(P)—More than 500 residents of Erie and nearby towns last night attended a dinner to honor Art Monahan, who resigned recently as sports editor of the Erie Dispatch.

Bob Kennedy, outfielder for the Cleveland Indians, was the principal speaker. Monahan was presented a \$500 check and several other gifts.

Monahan recently spent 11 weeks in the Cleveland Clinic. Upon recovery he was advised to retire from such a strenuous position as sports editor. He now has assumed a post on the copy desk of The Dispatch.

Monahan has been succeeded as sports editor by Wes Driscoll, a member of The Dispatch editorial staff for more than 20 years.

Early Reports Indicate Voting Heavier Than Normal In Britain's Vital Election

NIXON WANTS MORE FACTS ABOUT LOANS

Washington, Oct. 25—(P)—Senator Nixon (R-Calif.) called today for a full-scale inquiry and public hearings to bring out all the facts about any government loan activities of Mrs. Flo Bratten and Charles D. Shaver.

Shaver submitted his resignation yesterday as counsel for the Senate Small Business Committee. Chairman Sparkman (D-Ala.) accepted it promptly.

Shaver has said that Mrs. Bratten, secretary to Vice President Barkley, joined him in making visits to officials of the Reconstruction Finance Corporation (RFC) to ask about more than a million dollars in federal loans.

Both of them denied, however, that they exerted any influence in connection with the loans.

Both already have been questioned in a preliminary inquiry by the senate investigations subcommittee, but Nixon told reporters that only "a thorough public investigation will clear up the situation."

Nixon is a member of the committee. Barkley said at a news conference yesterday, after talking privately with Mrs. Bratten, that he already had notified Chairman Hoey (D-N.C.) he would cooperate fully in any investigation undertaken by the subcommittee. Mrs. Bratten has worked for Barkley 28 years.

The vice president said that he is reserving judgment on whether or not to retain Mrs. Bratten.

FAREWELL PARTY FOR ST. PAUL'S ORGANIST

St. Paul's Lutheran church was the scene of a pleasant gathering last evening in the form of a party arranged by the board of administration to honor Mrs. Emil Jacobson, who is resigning after ten years, as organist for the parish and expects to leave soon with her husband to spend the winter in Florida.

About 250 persons were present to enjoy an informal program which included an anthem sung by the choir under the direction of Harvey Horn; a vocal solo by Mrs. Clarence Peapson, with Ruth Bengtson as accompanist.

Faston Nore Gustafson, in behalf of the group, presented Mrs. Jacobson with a nice remembrance and expressions of appreciation for her faithful service.

2,700 Employees In Pittsburgh Store Lose Life Savings

Pittsburgh, Oct. 25—(P)—Three officials of a credit union in one of Pittsburgh's big department stores are held in a \$338,901 fund shortage today as many as the 2,700 depositors face loss of life savings.

The Pittsburgh Bureau of the FBI arrested the trio—two men and an attractive redheaded divorcee—yesterday as it cracked its 11th embezzlement case in the Pennsylvania-West Virginia area within 14 months. Losses in the cases total more than \$3,562,000, the FBI says.

Charged with embezzling funds of the Kaufmann store employees Federal Credit Union are Joseph E. Campbell, 56, vice president of the union; John J. Cain, 45, treasurer; and Mrs. Nana Nicoll, 51, assistant treasurer and office manager.

Major Beeman answered the question, "Why is Civil Defense?" in his fine address. He told the importance of Civil Defense as the last line of defense, often conducted in Britain during World War II entirely by brigades of women. He said this country must prepare for just that because all the men will be in service or in vital jobs, the most elderly and the youngest.

"Minimizing the effect of the enemy's action" was given by Major Beeman as the work of Civil Defense. He deplored the feelings of rural residents that "it can't happen here," and told of the destruction of beautiful rural Melton, England, because enemy "planes" forced away from Darby, dropped their bombs over Melton in order to return to their bases.

"Even the most rural township has its part to play," he said. The farmer and his wife can each take a vital part, she to give first aid should a "plane" fall and the farmer to exercise his knowledge in extinguishing incendiary bombs. No matter how remotely situated folk may be, they can help with Civil Defense.

He told what Civil Defense workers must face in time of attack: chaos, crippled industries, burned-out homes. He told how Civil Defense workers can re-establish utilities and put a town back on its feet. Major Beeman particularly emphasized the danger of incendiary bombs, and described the block-to-block work in London during the bombings to minimize the damage done by these bombs.

"The over-all picture is good," said Major Beeman, looking at the large audience. "When you have an attendance like this, you have the nucleus for a good organization."

Mr. Clinger thanked the speakers, spoke briefly of the desire of the county Civil Defense organization to do "a thorough job."

77-Year-Old Recluse Leaves S. A. Fortune

Battle Creek, Mich., Oct. 25—A ragged, 77-year-old eccentric who once complained of "a bad year" because he had to spend \$14.35 for living expenses, left the Salvation Army \$103,000.

This was disclosed yesterday in a will drawn by Maurice Monroe of Climax, Mich., more than two years before his death last June 17. He bequeathed all his possessions to the Salvation Army of Michigan.

His safety deposit box yielded nearly \$100,000, most of it in government bonds and postal savings. A house in Climax and several small savings accounts gave the estate a total value of \$103,000.

Cautious Optimism Is Expressed Over Anglo-Iranian Talks

Washington, Oct. 25—(P)—State Department officials appeared cautiously optimistic today about chances for the resumption of talks between Britain and Iran in their bitter tug-of-war over Iran's oil nationalization.

American officials were reported to be exploring intensively with Iranian Premier Mohammed Mosaddegh various proposals for a formula which might provide a basis for negotiations. The British government was being kept informed of developments.

If an understanding can be reached it will provide one of the most important international tasks for the British government to be seated following today's national election in Britain. A previous American effort to help work out a settlement of the oil dispute broke down last August.

American officials appeared to be most hopeful today of working out some formula which would meet Iran's adamant insistence on marketing the oil at a substantial but still permit Britain to continue marketing the oil at a substantial profit.

"Red Feather" Community Chest Drive For \$54,400 Passes the Half Way Mark

The "Red Feather" Chest campaign for \$54,400 went past the half-way mark today, as Chest headquarters reported 51 per cent of the quota reached.

Final reports are being held up somewhere in a few of the plans and industries due to the desire of the volunteer workers to make sure their coverage is complete. The goal is approximately 10 per cent greater than last year and company chairmen are doing their best to see that increases over their last year's figures are realized.

Several firms have sent in for more pledge cards and some of the ward chairmen in the Women's Division have also requested more cards, so there seems to be no question but what the campaign is being well supported in all divisions.

Final results have been turned in by Dr. Carl Whipple, chairman for all the schools in the borough and they add up to a 22 per cent increase over last year's total, which is surely a fine showing. Many other final reports show 10 per cent increases or better over last year's figures, so it looks as though there might very possibly be a good chance that the increased goal will be reached.

Ruel Smith has taken on the responsibility of handling the clubs and associations single-handed this year and is going to come up with a nice increase over last year's figures in that category.

Not too much has come in yet from the regular Commercial Division, but what has been completed so far reflects slight increases. One thing for sure is that the workers in all divisions are making every effort to put the drive over the top.

The big Red Feather thermometer at the corner of the Warren Bank and Trust Co. Bldg. is getting redder all the time, reflecting the daily progress of the campaign.

Nat W. Drake, campaign director, has paid a fine tribute to the many volunteer workers in the drive, by composing a six-verse rhyme, which appears in this issue on page twelve. This rhyme was also read over the air waves from WNAE yesterday noon by Mr. Drake during a ten-minute Red Feather interview with Mrs. Millie Bendix on her Betty Lee program.

Civil Defense Stressed by Speaker

CIVIL DEFENSE SPEAKERS at Wednesday night's meeting in the Court House were N. L. Wynard, left, deputy director of civil defense in Pennsylvania, and Major O. P. Beeman, right, retired British Army officer. In the center is W. Floyd Clinger, Warren county director of Civil Defense.

Vital information about the operation of and importance of Civil Defense work in Great Britain during World War II was told interestingly, last night, by Major O. P. Beeman, retired British Army officer, at a public meeting in the Court House, called by W. Floyd Clinger, director of Civil Defense for Warren County.

Before introducing Major Beeman, Mr. Clinger spoke briefly on what has been accomplished in Warren county, saying he felt the county was well organized. Mr. Clinger praised P. C. Ostergard, also a member of the Civil Defense board, for the near perfect organization of 13 districts in the county, each with its director and its individual set-up for Civil Defense. By the time Mr. Clinger opened the meeting, about 300 interested citizens had gathered and in surveying the assemblage Mr. Clinger said he was well pleased with the county coverage he noted, especially thanking a number who had come a considerable distance on a misty night.

Before bringing Major Beeman forward, Mr. Clinger introduced N. L. Wynard of Harrisburg, deputy director of Civil Defense for Pennsylvania. Mr. Wynard put Civil Defense very firmly into the minds of all present when he quoted Air Force General Vandenberg as saying that if Russia sent 100 bomb-laden planes against this country, 70 of them would probably break through defenses and drop their loads. He mentioned the 80,000 fatalities at Hiroshima, as well as 40,000 more at Nagasaki, each catastrophe caused by one bomb. The fact that we had no incidents such as this happen to us in America during the last two wars has caused a feeling of apathy toward present efforts for Civil Defense," he said, "but conditions now are not the same."

Major Beeman answered the question, "Why is Civil Defense?" in his fine address. He told the importance of Civil Defense as the last line of defense, often conducted in Britain during World War II entirely by brigades of women. He said this country must prepare for just that because all the men will be in service or in vital jobs, the most elderly and the youngest.

"Minimizing the effect of the enemy's action" was given by Major Beeman as the work of Civil Defense. He deplored the feelings of rural residents that "it can't happen here," and told of the destruction of beautiful rural Melton, England, because enemy "planes" forced away from Darby, dropped their bombs over Melton in order to return to their bases.

"Even the most rural township has its part to play," he said. The farmer and his wife can each take a vital part, she to give first aid should a "plane" fall and the farmer to exercise his knowledge in extinguishing incendiary bombs. No matter how remotely situated folk may be, they can help with Civil Defense.

He told what Civil Defense workers must face in time of attack: chaos, crippled industries, burned-out homes. He told how Civil Defense workers can re-establish utilities and put a town back on its feet. Major Beeman particularly emphasized the danger of incendiary bombs, and described the block-to-block work in London during the bombings to minimize the damage done by these bombs.

"The over-all picture is good," said Major Beeman, looking at the large audience. "When you have an attendance like this, you have the nucleus for a good organization."

Mr. Clinger thanked the speakers, spoke briefly of the desire of the county Civil Defense organization to do "a thorough job."

A general discussion was had concerning choir rehearsals, future engagements, finances, and other matters.

Paralyzing Dock Strike Is Spreading

New York, Oct. 25—(P)—The wildcat dock strikers' leader said the walkout that has paralyzed the port of New York will spread today to Philadelphia, Baltimore and Chester, Pa.

John J. (Gene) Sampson, who heads the insurgent pier workers, said pickets already had left New York for the three cities in an effort to idle their ships.

Sampson's assertion came after a three-hour heated session between the split factions of the AFL International Longshoremen's Association which broke up at 2 a. m. today.

Besides the New York and New Jersey piers, Boston and Albany, N. Y., docks are idle as a result of the strike.

The longshoremen returned to work at the port of Albany today, and said they would load the only ship remaining there—the American Judge, a grain vessel.

In New York last night, a plan to end the crippling strike collapsed when rebel dock workers refused to follow Sampson's suggestion that a new vote be taken on a recently approved contract.

CONFIDENCE IS EXPRESSED BY PARTY CHIEFS

London, Oct. 25—(P)—Millions of Britons trooped to ballot boxes today in a critical general election that marked the second—and possibly the last—of Winston Churchill's relentless efforts to unseat the Socialist government of Prime Minister Clement Attlee.

Early reports indicated the voting throughout the morning was heavier than normal in many districts.

The weather, which had been foggy and cold when the polls opened at 7 a. m., turned fine during the morning. In London, the sun shone brilliantly in an almost cloudless sky.

Some people waited in the grey, clammy dawn to cast their ballots as soon as the polls opened. Workmen stopped on their way to factories, mingling with others coming home from all-night shifts.

Both Conservatives and Socialists sent fleets of automobiles through the streets to carry voters who were short of time or unable to find other transportation.

Election officials in many districts throughout London and other large cities, including Cardiff, Leeds and Bristol, reported very heavy voting during the morning.

Prime Minister Attlee and his family were among the first dozen people to vote at their Westminster polling place. The mild-mannered Labor Party chief cast his ballot shortly after 8 o'clock. Asked about his election prospects, he replied, "I never prophesy."

With Attlee were his wife, his two daughters and one of his two sons.

The polls remain open until 9 p. m. (4 p. m. EST).

Election experts of both parties said the total vote might exceed even the record set last year when 28,769,477 (85 per cent) of the nearly 35,000,000 registered voters cast ballots.

They based this forecast on the fact that both parties have conducted intensive drives to get out the vote and on the belief that the fundamental issues of the election have become so fiercely controversial that few ballots would go unused today.

From Buckingham Palace came word that King George VI, still recuperating from a major lung operation, will remain awake until midnight tonight to get election results.

As the polls opened, both major parties issued confident statements predicting victory.

Woman Known In Youngsville Killed

A recent issue of the St. Louis Ledger, St. Louis, Mo., carried the following account of the accidental death of Mrs. Lilbur G. Tobey, 54, which will be of interest to friends and relatives of Mr. and Mrs. Tobey in the Youngsville area: Mrs. Wilbur G. Tobey, 54-year-

old wife of the vice-president of Stedley Company, a steel fabricating firm, was killed Tuesday in a three-way auto collision on U. S. Highway 50 just west of Union, Mo., the Missouri State Highway Patrol said yesterday.

Mrs. Tobey was thrown from an automobile driven by her husband when it crashed into a tractor-trailer and then hit another car. Tobey's eastbound machine skidded into the westbound lane when he was forced to slow suddenly to avoid a second tractor-trailer try-

ing to pass the one which Tobey struck.

Driver of the westbound truck with which the auto collided was Richard Lehman, 36, of Russellville, Mo. The second car in the collision, which was following the truck, was driven by Michael Fevola, 23, of National City, Cal.

Tobey, 51, escaped with only bruises. He resided with his wife at 10004 Bellefontaine Rd., Baden Station.

Born at Youngsville October 18,

1896, Mrs. Tobey was the daughter of the late Truman and Catherine Tobey. She was united in marriage to Wilbur Tobey August 10, 1918, and to this union three sons were born, Donald C., Russell J., and G. Eugene, of St. Louis. She is also survived by two sisters, Mrs. Hazel Nicholson, of Akeley, and Mrs. Winifred Sullivan, of Youngsville. There are five grandchildren.

Mrs. Tobey was a member and faithful worker in the Glider Auxiliary and a member of Good Hope

church in St. Louis. Services were held Friday October 12 at the Hoppe Funeral Chapel, with burial at the New Bethlehem cemetery in St. Louis. Those in attendance from here were Mr. and Mrs. Walter Nicholson and daughter Frances.

CIVIL DEFENSE DRAWS A CROWD

Floyd Clinger, who has pushed behind the wheel of many a cart laden with good things for Warren county, has been pushing the Civil Defense wagon for a year now, aided by a handful of enthusiasts who stuck right with him and felt that some way, somehow, they would impress folk in general with the importance of the load.

Mr. Clinger, who has known all along that apathy was the worst enemy of the vital Civil Defense program, must have a sort of "uplift" feeling today. It was interesting to watch his change of expression, last night, as Warren county residents started to gather in the Court House for a meeting on Civil Defense. A pitiful few at first and things looked bad; then in came a man and wife from a remote part of the county; then about ten people arrived at the same time, and it might be said the crowd had doubled! But they kept coming, and Mr. Clinger was in right good form when he stepped before an assemblage of some three hundred to open the meeting.

Apathy is being overcome. Every person who attended last night's meeting now knows the importance of Civil Defense.

Needlework Guild In-Gathering Day Set for Nov. 2nd

The Warren Branch, Needlework Guild of America, has set its sights on the 2,000 mark as a goal for this year's in-gathering of new garments, with which this "charity which aids all charities" carries on its work from year to year.

November 2 has been set as the date for this year's in-gathering and tea, with the affair to be held at the Woman's Club as in past seasons. Every member of the organization is invited and urged to visit the club that afternoon from two until four o'clock to view the items collected.

Since nothing is ever said about dues, the question arises: Who are the members of the Needlework Guild? The answer is a simple one: Membership is based on the gift of two new items of clothing or household linens, or any sum of money, once each season.

A lengthy list of members who have collected items in past seasons comprises the directors of the

chapter and gifts may be sent to any of these persons or may be left at the YWCA activities building for collection. Persons who are new in town or have not previously given to the in-gathering may join by contacting any of the following or sending gifts to them:

Mrs. Carlton Gay, Mrs. William Ball, Mrs. H. R. Robertson, Mrs. William Crockett, Mrs. David Crockett, Jr., Mrs. James L. Chapman, Mrs. O. A. Pressel, Mrs. C. A. Miller, Miss Claire Elliott, Mrs. D. E. McComas, Mrs. Orman Groves, Mrs. John Urbatis, Mrs. B. J. Messerly, Miss Mayme Marsh.

Mrs. J. W. A. Luce, Mrs. C. W. Barwis, Mrs. Richard Smith, Miss Helen Downey, Miss Lenore Thurston, Mrs. William Hutchings, Miss Dora Messner, Mrs. Stewart Beckley, Mrs. S. L. Myer, Mrs. A. C. Jackson, Mrs. Fred Emhardt.

Garments are needed for all ages, from infants through adults, with special emphasis on nightwear, slippers, dresses, sweaters and socks.

The oldest of the U. S. mints was established in Philadelphia in 1792.

COMING MARRIAGE.

CIRCLE MEETING.
The Verr Zeliff Circle of Grace Methodist church held its October meeting at the home of Mrs. Paul West, North Carver street, with Mrs. Louise Brooks and Mrs. Mildred Newmaker as co-hostesses, 16 members and one guest in attendance. Devotions were led by Mrs. Howard Hulings and the business session was conducted by the chairman, Mrs. Edna Kyler.

Committee chairman responsible for the event are Bill Carlett, Judy Carroll and Florence McKinney. All young people of the community between the ages of 12 and 14 years, who might be interested in this organization, are cordially invited.

On Sunday evening, this group will hold its regular meeting at 8:00 o'clock, with Florence McKinney leading.

CLUB SIXTEEN PARTY.
Club Sixteen members enjoyed a delightful Halloween party Tuesday evening at the home of Mrs. Anna Mae Rowley, 544 Dahl street, with 13 members and one guest, Mrs. Peggy Spackman, in attendance. Everyone came attired in traditional costume, many being both original and funny.

A peasant evening was spent in playing games, with prizes going to Mrs. Rachel Fox, Marylon Roberts, Sig Christensen, Betty Campbell, Ida Seymour, Ethylmae Sly and Peggy Spackman. A delicious luncheon was served late in the evening by the hostess.

WOMEN OF THE MOOSE INITIATE CLASS.

Attendance award went to Lois Simmons and the Chapter Night prize to Jane DeVore. Concluding, Alice Holman and her committee served refreshments.

Chapter members were reminded of the series of games party to be held Monday at the home of Mrs. Odell, 11 Grant street.

YOUTH ORGANIZATION.
A meeting will be held by the Warren County Youth Organization group at the Pleasant Grange hall next Monday evening. A Halloween party has been planned as the evening's feature and anyone attending unmasked will be fined. All persons over 14 years are invited.

unceasing war on a world of killers

LEEUEWENHOEK, in 1683, was the first to disturb the privacy of the teeming bustle of the unseen world. The "wretched wee beasties" cavorting innocently under his lens were later indicted and convicted by Koch and Pasteur. Unbeknown to Leeuwenhoek, he had discovered a vicious and unseen world of killers, now known as bacteria, or germs.

The span of time between Leeuwenhoek and Pasteur was almost 200 years. Only an average lifetime has passed since Pasteur's experiments, during which practically all we know about disease and its treatment has been discovered. Our knowledge is expanding at an ever-increasing rate. The pharmacist works with the physician in bringing newer and better medication into the sickroom.

Barbara Sorensen Becomes Bride of Calvin S. Merritt

Barbara Sorensen, daughter of Mr. and Mrs. Andrew Sorensen, Cobham Park road, became the bride of Calvin S. Merritt, son of Mr. and Mrs. Rollin Merritt, Lincoln avenue, on Saturday, October 13.

The beautiful double ring ceremony was performed at 5:30 p. m. in the home of the Rev. and Mrs. Marvin Samuelson, uncle and aunt of the bridegroom, Duluth, Minn. The Rev. Samuelson, pastor of Bethel Baptist church in Duluth, performed the ceremony for which Rosalie Tudoravich played traditional wedding selections and Mrs. Samuelson sang "O Jesus, We Have Promised".

Wearing a wine-colored suit with black accessories and a white rose corsage, the bride had as her only attendant Mrs. Claude Roush, sister of the bridegroom. She wore wine accessories and a red rose corsage with a suit of dark green color. Mr. Roush served Mr. Merritt as best man.

Immediately following the ceremony, a lovely wedding dinner was served by Mrs. Samuelson from a table centered with a beautifully decorated wedding cake.

Both young people are graduates of Warren High School. They will make their home in Minnesota, where Mr. Sorensen is a junior at Bethel College in St. Paul.

Fifteen members and one guest attending the meeting of the Marian Jones Circle of Grace Methodist church, held at the home of Miss Edith Langdale, 31 Glenwood street. Inspiring devotions were led by Mrs. Jessie Ralston. Various committee reports were given and definite projects were planned for future meetings. Three new members were welcomed.

Articles of clothing, new and used, and a number of toys were brought by the group for a Christmas box to be sent to the Edith Harpst Home in Cedarville, Ga. A lesson from The World Outlook was led by Mrs. Hazel Samuelson, who used Mrs. Franklin Reed's interesting article, "I Found Methodist Women". A social hour followed the business meeting, with refreshments served by the hostess and Mrs. Sam Fox.

SOUTH STREET PTA PLANS SCRAP DRIVE

Charles Lane conducted the October meeting of South Street PTA, announcing that Mr. and Mrs. Fred Shattuck have been selected to head the hospitality committee in place of Mr. and Mrs. Kenneth Greenlund, who are unable to serve. Howard Clark, finance chairman, announced a scrap drive will be held Saturday morning. Scrap iron will also be acceptable, he stated, and will be collected along with paper and rags. Mr. Lane passed around a Freedom Scroll, so that all who wished might sign. Concluding business was awarding of the attendance prize to Miss Tillotson's room.

The meeting was then turned over to Kenneth Williams, program chairman, who presented James Hengst, boys' work secretary of the YMCA. Mr. Hengst showed colored pictures and offered interesting commentary on a typical camping day at Camp Sherwin on Lake Erie. There were also pictures of many other "Y" activities, showing various games and sports available to boys and girls at the YMCA.

To conclude the evening, refreshments were served by Miss Edith Berkman's fifth grade, with Mrs. C. O. Gay as chairman.

The Joy Comstock Circle of Grace Methodist church held its October meeting at the home of Mrs. Ray Brownell, with an attendance of 11 members and two guests. Devotions were in charge of Mrs. Cable. Mrs. Andrew Nelson was elected corresponding secretary of the group and various projects for the year were discussed. At the close of the meeting, lunch was served by Mrs. Brownell, assisted by Mrs. Lawrence Barhite.

Girl Scout Drive For Ludlow Proves Very Successful

Ludlow, Oct. 25—Mr. and Mrs. Evert Johnson, chairmen of the local Girl Scout financial drive, report the campaign has been more than successful and are most appreciative of the efforts of all who helped to make it so. Ludlow always cooperates so splendidly in any campaign that chairmen do not find it too difficult to accept the responsibilities that are entailed.

Another Girl Scout item of interest concerns the recent meeting of the Neighborhood Committee, held at the home of Mrs. George Olmsted and conducted by Mrs. Lester McArthur, retiring chairman. Newly named to serve as officers were the following: Linnea Swanson, chairman; Mrs. Enoch Nelson, first vice chairman; Mrs. Melvin McCleary, second vice chairman; Norma Bergquist, re-elected secretary; Millie Morelli, re-elected treasurer. Committee appointments will be announced later.

Reports were given by all officers, as well as the leaders of the intermediates in the last two years, Mrs. M. I. Jones and Mrs. E. W. Johnson; and the Brownie leader for the past year, Mrs. B. K. Connelly.

A crying need for leaders was emphasized. The committee is hard at work on this problem, reporting a number of girls are ready for Scout work as soon as leaders are secured.

Concluding the evening, coffee was served from a beautifully appointed table and a social hour was enjoyed.

HOME WEDDING—Pfc. Glenn Grosch, son of Mr. and Mrs. Glenn Grosch, Sr., Russell street, and Miss Lilyan Champion, daughter of Mr. and Mrs. E. D. Champion, Tiona, exchanged vows in a simple ceremony performed at 4:00 p. m. October 14 in the Champion home, the Rev. V. H. Oviatt officiating.

The bride wore a wine colored suit, with black velvet accessories, and carried a white prayer book. Her only attendant, Ann Nobles, wore beige accessories with a tan suit. Cpl. Donald Stover, on leave from Chanute Air Force Base, was best man. The ceremony was followed by dinner served at the Belloview Lodge at Clarendon.

The couple left Tuesday by plane for Denver, Colo., where Pfc. Grosch is on duty with the Air Force at Lowry Field.

CARD PARTY FOR MCCLINTOCK FTA
Mrs. Augustus Swick, 13 Wetmore street, entertained a number of friends for a five hundred party at her home, with seven tables playing as a benefit for the McClintock FTA. Card prizes went to Mrs. Letha Hamm for high score and to Mrs. Ann Bruto for low. Additional prizes went to Mrs. Gertrude Ruhlman, Mrs. R. A. Gustafson, Mrs. Hershaw and Mrs. George Croft, with Mrs. Frank

Kusto winning the beautifully decorated cake. At the close of the evening, lunch was served by the hostess, assisted by Mrs. Robert McWilliams, Mrs. George Schrecongost and Mrs. Robert Jaynes.

MRS. THEODORE P. PRODROMOU
—DeFrees
White mums and glads, palms, and candelabra holding white tapers formed a beautiful setting in the Trinity Memorial church for the wedding of Sophia Sylvia, daughter of Mr. and Mrs. Constantine P. Prodromou, 208 Buchanan street, and Theodore P. Prodromou, son of Mr. and Mrs. Prodromos Prodromou, 443 West Roosevelt boulevard, Philadelphia.
The ceremony was solemnized at 10 p. m. Sunday, October 21, by Father John Pallas, Buffalo, N. Y.; Father Paul Joannethis, Jamestown, N. Y., and the Rev. Beecher M. Rutledge, honorary.
Miss Jean Robertson was at the organ for traditional Wagner and Mendelssohn wedding marches; Miss Teresa Fino sang Gounod's "Ave Maria" and "O Perfect Love"; and the choir from the Greek Orthodox church of Jamestown sang the liturgy.
The bride was lovely in a gown

of antique ivory satin and imported French lace, cut on plain princess lines; the bodice trimmed in a deep lace yoke which flowed in unbroken line to form the shoulders and pointed, full length sleeves; the skirt with three tiers of pleated lace reaching to the waistline and forming a long train. Her fingertip veil of nylon illusion net was topped with a divided tiara trimmed with seed pearls and brilliants and her fan-shaped bouquet of white roses and baby orchids was centered with one large white orchid.

Given in marriage by her father, she had as her attendants the following: Her sister, Helen, as maid of honor, and Mrs. John Fanaritis, as matron of honor, gowned respectively in deep burgundy and peacock blue; the bridesmaids, all in old gold; Lee Besemer, Kingston, N. Y.; Mary Constan, Brooklyn, N. Y.; Mary Ruhlman and Jean Keim. Their gowns combined nylon net and velvet; the flattering bodices topped with tiny net tiers inserted into the velvet, and removable velvet stoles; the double pick-up on the skirts trimmed with velvet flower petals. Each had an open-crown velvet hat to match her gown and carried a fan-shaped bouquet of wheat and varicolored mums.

John Fanaritis served as best man, with the following as ushers: George Biglin, New York City; James and Marios Chios and Charles Tees, Philadelphia; Ben Constan, Brooklyn.

Mrs. Spiridon chose a ballerina length gown of taupe silk taffeta, lemon-yellow velvet hat, black accessories, while Mrs. Prodromou wore a brown dinner dress with gold bead trim, taupe hat, and brown accessories. Each had a white orchid corsage.

Dinner for the family and intimate friends followed at 6:30 p. m. at the Marconi Outing Club, where the reception for 150 guests followed at 9:00.

Out of town guests included Mr. and Mrs. John Biglin, Mr. and Mrs. Edward Waskiewicz and son, Stephen, Sophie and Irene Chakir, Mr. and Mrs. C. Gamanos,

MANY YEARS TOGETHER—Mr. and Mrs. Bargman Sorensen will celebrate 60 years of married life with an "open house" at their home, 108 Park street, on Sunday, October 28, from 1 to 5 p. m. The couple was married in Jamestown on Oct. 28, 1891, and have since resided in Warren. Mr. Sorensen was employed at the United Refinery until his retirement several years ago. Entertaining for the "open house" will be four nieces of the Sorensens, Mrs. George Valentine, Mrs. P. L. McManus, Mrs. Arthur Anderson of Erie and Mrs. Arthur Morine. Their foster-son, Christian Sorensen, lives in Sheboygan, Wis., and will be unable to come home for the affair.

Helen and Dean Gamanos, Dr. and Mrs. N. Angel and daughter, Marina, Mr. and Mrs. Smitsis, New York City; Ben and Mary Constan, Brooklyn; Mr. and Mrs. P. Prodromou, Mrs. M. Chios, James, Marios and Demetra Chios, James Diamond, Tony Terizakis, Charles Tees, Betty Kushnerick, Philadelphia; Jerry Korakidis, M. Cordovano and John Liptak, Patterson, N. J.; Sotiris Prodromou, Baltimore, Md.; Mr. and Mrs. Chris Verros, Salamanca, N. Y.

Honeymooning in Florida, the newlyweds will return November 12, to be at home to friends at 307 Market street. For travel, the bride chose a maroon and black check worsted suit, with navy accessories and a white orchid.

McCLINTOCK PTA
The regular meeting of McClintock PTA was held at the school building immediately following an amusing Halloween party, games, and entertainment. During the business session conducted by Mrs. Robert Jaynes, it was decided to serve refreshments on the evening of the Education Week open house, Mrs. Sam Tutaro to serve as chairman.

Next regular meeting on the schedule is November 19, when Mrs. Leonard Sorensen will be chairman for a Hobby Sale. Concluding the evening, the attendance prize was awarded to the kindergarten room, a bake sale was held and refreshments were served by Mrs. Francis Suppa and her committee.

Kiddies' Parade Is Scheduled Nov. 3rd At North Warren

Plans for the annual Halloween Festival at North Warren, which will start next Wednesday, October 31, and last four days, includes announcement today that there will be another kiddies' parade this year.

Gerald Rickerson is in charge of arrangements for the parade, which will start at 2 p. m. Saturday, November 3, at the rear entrance to the State Hospital, winding through the grounds and out into North Warren. Mr. Rickerson says there will be a gift for each child who participates as well as special awards for the various costumes, a list of which will be released in a few days.

Traffic problems and other hindrances have convinced the North Warren Civic Club, sponsors of the annual Halloween celebration, that it is best to dispense with the

large parade this year, but the same program of games and acts, with fun for all, will be carried through.

James Cruickshank, president of the club, and James A. Blomquist, head of a Civic club committee composed of Donald Dalrymple, Chris Pepke, Robert Jewell, Carl Engle, Ralph Ward, Jr., Ed Amann, Theodore Peterson and Gerald Rickerson.

DIPLOMAS ARE GIVEN TO VETERAN FARMERS

Guest speaker at the recent banquet held by the Young Farmers Association chapter at Sugar Grove was Ray Schlosser, treasurer of the Pennsylvania Young Farmers Association.

Honored guests were T. R. Sponsler, Warren county area vocational advisor; Mrs. Roy Briggs of the County Board of Education; Robert Albright of Youngsville; James Losey of Sugar Grove, and Walter Neilson of Spring Creek, veterans' instructors.

Art Engstrom, president of the Sugar Grove chapter, acted as master of ceremonies and introduced Mr. Sponsler, who presented diplomas to veterans who have successfully completed their training program. Mr. Engstrom also led group singing.

A film entitled "Pennsylvania Highways," arranged for by James Losey, and a feature of the evening was the accordion music by Anthony Fill of Irvine.

The heaviest atom yet discovered, californium, is 244 times as heavy as the lightest of hydrogen, which is the lightest known.

A TRIBUTE TO VOLUNTEER CHEST WORKERS

It's "Red Feather Week" right here in our town. The Community Chest story's sure going around. Over 400 workers are in on the drive. That goes to show, that our town is alive.

Words can't express thanks, for the job they do. Yes, believe it or not, it's for me and for you. They aren't making a great big fuss. But do seek funds, to keep the town fit for us.

Warren wouldn't be much, without Chest organizations. There might be some, have to go on short rations. Then too, think of Youth, activity and training. There's Scouting in summer, and T's when it's raining.

Nearly on the run, we've seen some of these workers. And among their group, you'll find no shirkers. Mostly the same ones, year after year. For Community Chest Agencies, they go into gear.

The least we can do, is give them our praise. We're laying big odds, the quota they'll raise. For United Defense Fund, this year there's a bit. That's for the Armed Forces, so don't forget "it".

I promised last year, I'd compose a new rhyme. About something worth while, and now is the time. Let's sign a pledge card, or dig deep in our pocket. 'Cause if we all do, o'er the goal we'll rocket.

Nat W. Drake, Campaign Director.

Letters to the Editor

BY WHAT NAME SHALL WE CALL IT?

The new school building corner of Conewango and Jefferson streets. The older Jefferson street pupils favored the name Jefferson. Then it was changed to Johnson. Why? Is it fair to the faithful teachers of years ago who put in their time to forget their efforts? The writer remembers well such names as Smith, Siggins, Winton, Thomas, Schope, etc., etc., and not one of these faithfuls had a school named after her. Nor should it be so as it is not fair to the group of teachers. Our taxpayers cannot name a school building after each one no matter how well she taught nor how long. We have South Street, Home Street, East Street schools. Why not Jefferson or Conewango? Beaty School and Lacy Schools might well be called as they are in honor of the good generous hearted land donors. But why out of a group of worthwhile instructors build or name a building for just one or two? To the writer this seems most unfair treatment and should be abandoned forever, or as the old saying goes—Do unto others as you would that they should do to you. "Any Comments, let's hear 'em!"

CHAMPION BABY BEEF—This hefty Aberdeen-Angus, owned by Norman Van Ord of Sugar Grove, was chosen Grand Champion of the Northwestern Pennsylvania Livestock Association's third annual show and sale at Meadville yesterday. The steer, which tipped the scales at 1145 pounds—heaviest in the show—brought \$45 per 100 pounds on the auction block. The reserve champion, a 925-pound Hereford raised by Ronald Kantz of Cochranton, also brought the same price. (Times-Mirror Photo)

Warren High Can Reach .500 Mark With Win Over Dunkirk

On the road for the second straight week when they venture to Dunkirk, N. Y., Friday night for a tussle under the arcs, the Warren High Dragons will be aiming for the .500 percent mark.

Currently in a slump of four straight losses, after opening the season with three wins, the Lehighmen may match their dismal record of the 1950 season if they don't pull out soon.

Last year's record, 3-6, was the worst a Warren eleven had witnessed since 1934.

After Friday night's tilt, the Dragons play host to the Kane Wolves at War Memorial Field on November 3 and then close the year with an invasion of Jamestown on Saturday night, November 10.

The Red Raiders of Jimtown

possess a victory skein of five victories, one of these over Dunkirk by a one-touchdown margin.

Warren and Dunkirk have tangled on the gridiron only seven times in a rivalry that extends back as far as 1908. The squads met twice that year, and waited two decades before resuming in 1928 for a five-game series ending in 1932.

The record stands 4-3 in favor of Warren, the Dragons with 102 points scored and the New Yorkers 67.

Records of past seasons:

Six Teams Sign Up for YM-City Basketball Loop Competition

Managers of six teams entering the YMCA-City Basketball League met at the "Y" last evening and elected their officers for the 1957-58 season: Nick Croola, president; Bill Waldert, vice-president; Bill Mulvey, secretary-treasurer; Allen Anderson, publicity chairman.

Teams and managers on the roster are: Style Shop, Don Lunquist; Rockets, Joe Giffre; Warren Business College, Koselid; Texas Lunch, Bill Vesco; Youngville Chevrolet, Merle Welsh; and Struthers-Wells, Paul Steinkamp.

The league competition will begin Monday, November 26, and another meeting of managers will be held on November 21 when entrance fees must be turned in.

A pre-season practice schedule worked out at last night's session is as follows, with the game listed first starting at 7 o'clock and the second at 8 o'clock:

Nov. 13—Rockets vs Style Shop, Texas Lunch vs WBC.

Nov. 15—WBC vs Youngville, Struthers vs Texas Lunch.

Nov. 19—Style Shop vs Youngville, WBC vs Rockets.

Nov. 20—Texas Lunch vs Rockets, Youngville vs Struthers.

SPORTS IN BRIEF

By The Associated Press

—Baseball—
Washington — Larry McPhail, former New York Yankee president, told congressmen investigating baseball that there should be six major leagues.

—Basketball—
New York — Gene Melchiorre, George Chianakis and William Mann, former Bradley University stars, pleaded guilty to conspiracy in the basketball fix case and are liable to a maximum of three years in prison.

—Football—
Milwaukee—Marquette and Tulsa broke off athletic relations after the latter school was accused of roughing tactics in a game last week.

—Racing—
New York—Tom Fool clinched the juvenile championship by winning the East View stakes at Jamaica.

Laurel, Md.—Mahoon won the Southern Veterinarian Medical Association purse at Laurel.

Camden, N. J.—Rose Beam won the top race at Garden State.

LOUIS FACES MARCIANO
New York, Oct. 25—(AP)—An interesting experiment in the art of fist-fighting will take place in Madison Square Garden—and on the TV channels—tomorrow night. It's a contest between old (but not the old) Joe Louis and Rocky Marciano. Three factors make it especially interesting. First, a lot of experts who had been advising a slow, plodding Louis to quit before some youngster belted his ears off now are picking Joe to whip the most promising, hard-hitting youngster now in sight. Second, Rocky owes his position as a heavyweight title prospect to Al Weill, a keen student of boxing styles, and Al's man Friday, Charlie Goldman. And third, the guys who are picking Louis to win are doing it because of his style.
